GREAT IMPROVEMENT IN DENTISTRY.

The attention of the public is called to a great discovery in Dentistry.

TIE GREATEST ADVANCE STEP EVER MADE IN THE ART.

The main difficulty in wearing artificial teeth is, they do not hold in their place firmly enough, and to this the annoyance of food getting under the plate while eating. I have discovered a method of so constructing the plate on which the teeth are set that they will not start or drop while eating or speaking, neither will any particles of food get under the plate, no matter what the condition of the mouth is, which is not true of any method hitherto used.

I have secured Letters Patent for the United States, England and France.

The improvement is not in material, but in the construction, which secures the atmospheric pressure on the entire plate.

I have sold the exclusive of said improvement to Dr. L. Gilman, to wit, the Counties of Franklin, Washington, Chittenden, Lamoille and Grand Isle. Those wishing to avail themselves of such improvement, will call on

Dr. L. GILMAN, ST. ALBANS, VERMONT.

JOB

Printing

OFFICE,

ST. ALBANS.

H. A. CUTLER, -- PROPRIETOR.

All Printing brought to this Office, both Plain and Ornamental, will meet with prompt attention, at prices as low as the times will admit.

We do our work much better than any other office that will do a job of printing for nothing for the sake of depriving us of it, and we are ready to compete our work with any similar class of printing done in the office, both in neatness and price.

Hand your orders into the Transcript Job and Print Establishment if you take any pride in having your printing done in a workmanlike manner.

IMPORTANT TO STOCK GROWERS.

Blood, Beauty, Speed, Kindness and Endurance.

Those who desire to raise first-class stock, and all lovers of good horses, are respectfully informed that a limited number of more the yearling season, at the Homestead Stable Farm, Greenwich, Washington County, N. Y., is about to commence on the 1st of May and to end on the 1st of September. Young Dexter was bred at Chester, Orange County, N. Y., is four years old, by Rysdyk's Hambletonian, stands 16 hands high, and is one of the best of the breed of his celebrated sire. Young Dexter is a small brother to Dexter, George Wilkes, Bruno, and a nephew allied to Mountain Boy and other well known horses. Very evidently, from his size, shape, etc., Young Dexter will not only bring gentle, fine and speedy stock, but also handsome carriage and family horses as well. It is manifestly for the benefit of stock growers that they obtain not only the best and most popular blood in the country, but also that which commands the highest prices in market, and it requires no more labor or care to raise a good colt than an inferior one. It was with this view to improve the stock of horses in Northern New York, Vermont and New Hampshire, etc., that Young Dexter was purchased by its present owner, Mr. R. C. Page, Editor of the People's Journal, the object being to benefit farmers and stock growers who are willing to undergo the care and expense necessary to the raising of good horses.

For further particulars, terms, etc., address Homestead Stable Farm, Greenwich, Washington County, N. Y. E. G. STRATTON, 215-41

A PROCLAMATION.

WHEREAS, the St. Albans Bank, a corporation, duly incorporated by the Legislature of the State of Vermont, located and doing business at St. Albans, in the county of Franklin, has made application to me, requesting me to issue a proclamation designating some day for the termination of the existence of said corporation;

And whereas, it has been made to appear to me that two-thirds of the legal votes of the stockholders of said corporation were given in favor of said application;

Now, therefore, I, Paul Dillingham, Governor of the State of Vermont, in conformity with said application, and the provisions of section eight-six and eighty-seven of chapter eighty-nine of the General Statutes of Vermont, do hereby issue my proclamation, and declare that on the twenty-fifth day of March, A. D. 1868, the said corporation shall cease to exist as fully and with the same effect as if said charter expired by the limitation thereof.

In witness whereof, I have hereunto signed my name and caused the seal of the State of Vermont to be hereunto affixed, at the City of Montpelier, this 23rd day of September, A. D. 1867, and of the independence of the United States the 91st.

PAUL DILLINGHAM, By the Governor, WM. P. DILLINGHAM, Secy of Civil and Military Affairs.

Claim Agency.

By recent enactments of Congress, all Soldiers who have served three years and have received but \$100 bounty from the United States, or who, having enlisted for three years, were discharged in consequence of wounds, and the widows, children, or parents of any soldier who enlisted for three years, and in promise of only \$100 bounty, and who died in the service, are entitled to an additional bounty of ONE HUNDRED DOLLARS!

All invalid pensioners who have lost a hand or foot, or have incurred disability equivalent to the loss of hand or foot, are entitled to a large increase of pension.

All pensioned widows of soldiers or sailors are entitled to an increased pension of two dollars per month for each child under sixteen years of age.

Claims of the above nature, and for arrears of pay, officers' extra pay, for horses lost in the U.
